Welcome to Bitcasa

Bitcasa Infinite Drive

Your external hard drive in the cloud

Drag and drop files and folders to Bitcasa just like any external hard drive.

Files in your drive don't take up space on your computer and are accessible from anywhere.

Effortless Backups with Mirroring

Backup and access all your computers, anytime

For everything you want to keep on your computer, simply "Mirror" it to Bitcasa to keep in sync.

Your files are still available when you are offline, and automatically sync up when you are back online.

Instant Access and Share

Access all your files, anywhere

Listen to your music, watch videos, view photos and documents on iOS, Android and the web.

Share files and folders of any size instantly with friends and family.
